# KINGDOM BUILDERS

2024 annual report

# what is kingdom builders?

Kingdom Builders is a ministry of Risen Life Church. Our desire is to see the church multiplied and to see disciples from all nations participating in God's Kingdom (Matt. 28:18-20). One way we do this is through partnering with reputable local and global ministries **here** (in the community we meet in), **near** (locally in the Twin Cities), and **far** (global) that prioritize growing God's Kingdom and support them in the mission God has given them through prayer and financial gifts. Every dollar given to Kingdom Builders goes to our partners to further the work God is doing. Included here are a few highlights from this past year!

# HERE

This year we made some new connections and friends at a nearby apartment building complex! We hosted a couple of grill outs with games to meet the community that lives around the New Hope YMCA and share the love of Jesus with them.

In the spring we joined with the New Hope YMCA and hosted an Easter Egg-stravaganza and invited families from the surrounding area. There was lots of laughter, candy, games, and more. It was great to see new faces pile into the New Hope YMCA and be met with excitement! We have a regular (almost daily!) presence in the YMCA and are always looking for ways to engage staff and members.

# NEAR

## ICCM Life Center

We had several opportunities this year to partner up with ICCM's Street Teams and participate in outreach. These environments provided amazing moments to meet physical needs with food and clothes, pray for others, and learn how to share the Gospel.

## Firebase Ministries

We had the opportunity to both participate in and financially invest into the "Jesus Burger" outreach where free food is served to University of Minnesota students. This impactful ministry engages nearly 10% of the student population throughout the summer, fostering connections and sharing the love of Jesus. When their trailer was stolen, we contributed funds to replace essential equipment, ensuring they could continue their vital work on campus.

# FAR

## Divine Abundance Ministries, Nigeria

God has been moving in Nigeria! Our partners there had an exciting year filled with updates. They have inaugurated a new Abundant Life Christian Assembly in the Mahuta area of Kaduna Metropolis.

In November they also ordained four deacons and two Assistant Pastors. One of the pastors was a woman, which is their ministry's first woman to be ordained as a pastor!

They've also made substantial physical improvements to the building they host worship gatherings in to keep it safe for their members. They also sponsor education for children every year! It's amazing to see how God moves in every country and an honor to partner with this ministry.
